

## NETSEA Sponsorship Opportunities

Individuals who join NETSEA benefit from one-to-one connections with marketing executives who lead the industry and know the ropes. Companies that sponsor NETSEA make priceless connections with decision-makers throughout New England.

NETSEA sponsors *get seen*. Their logos appear on the NETSEA website, signage, email, and printed agendas. That means their names and brands are evident to both NETSEA members and everyone else interested in the organization. Plus, additional members of their team can attend NETSEA meetings for free, increasing opportunities for face-to-face meetings with important contacts.

**When you become a Diamond, Platinum, or Gold NETSEA Sponsor, you receive all these advantages:**

	NETSEA Sponsorship Level
